

PERFECT CREATIONS WITH SWAROVSKI

Flat Backs No Hotfix can be easily applied to a variety of carrier materials using standard one or two component glues. With the Platinum Pro foiling for extra brilliance and protection they are resistant to environmental hazards such as perfume, chlorine, and saltwater.

Flat Backs Hotfix are available as loose crystals or as finished Transfer motifs. For textile application, Flat Backs Hotfix feature special foiling and the latest generation of Hotfix glue, which is highly resistant and makes application very easy.

In addition to the XIRIUS Rose, the Flat Back with unsurpassed brilliance and reflectivity, the Swarovski Flat Backs assortment includes a wide range of fancy-shaped Creation Stones that are perfect for designing unique motives.

SWAROVSKI'S PRECISION-CUT CRYSTAL OFFERS YOU:
